

The library is expanding our collection of audiobooks, (books on CD) look for them in the "Michigan Room" and you can also place a hold through the library's website online catalog. Audiobooks are great when driving in the car or when you do not have the time to sit down to read a book.

With a network of 18,000 libraries and millions of readers, OverDrive is the global leader in eBooks for libraries. Our support for iPod®, iPhone®, iPad™, Android™, Sony® Reader, Kindle® (US libraries only), and thousands of other mobile devices, makes our library platform the most compatible library download service. We also offer the largest collection of premium audiobooks, eBooks, music, and video for the library – all available on a single website for browsing, checking out, and downloading.
