### 2015 LIBRARY YARD & PLANT SALE!

CTL library continues its long-standing tradition of holding a plant and yard sale in early summer. This year the sale will be held on May 23th, the Saturday before Memorial Day from 10AM–3PM

If you have anything to donate you can drop it off anytime during regular library hours. No clothes please. We need as many items as we can get so please search through those cupboards and pole barns for "treasures" that you no longer need but that are in good shape. Times are hard and the library needs all the help you can give.

We could use you as well if you have time to volunteer some of your day to help out with the sale. We especially need helpers to do preliminary set-up on Thursday before the weekend and then the final set-up on Saturday morning about 9AM and clean-up at 3PM.

We hope to have crafters demonstrating their arts as well. Look for announcement posters as the date gets nearer.

## OUR NEW BOOK LADDER

The CTL book collection has finally filled the center sections of the shelving and so the only way is up (or down). Up is easier so the Friends of the Library have generously purchased a rolling ladder that will allow the staff to get high enough to maintain the top shelving areas. It's made in the USA (as a matter of fact—in Croswell, Michigan)! If you're an attitudinally-challenged individual but still have the ability to climb stairs, you may use the ladder yourself to get that book you desire. If not, please do not use it but ask for assistance.
