A HUGE THANK YOU!!!!!!

To everyone who brought in their used ink and toner cartridges.

The library recycled them in the Staples Rewards Program and bought toner cartridges and cases of paper for the printers.

The library hosts a lot of programs, events, movies, Halloween and even a float in the 4th of July parade for the community to enjoy - we would like thank all of the volunteers who helped out to make all of this possible. We are looking forward to this new year and hosting many more great things. We will keep the community updated.
