## \$25,000 Grant

Robert Charles Reinhart -- 1914-2008

The library has received a grant from the Robert C. Reinhardt Library Fund. The money will be used to make improvements to the parking lot and the library entrances. Robert C. Reinhart was born in Chicago, IL and enjoyed a 30-year career with Dow, working in Research and Marketing.

Mr. Reinhart's interest in small rural libraries was expressed by Mrs. Reinhart: "Education and reading were important to Bob. He believed library resources should be available to everyone."

This was a competitive grant the library applied for, our library's history of community support was the deciding factor in receiving this grant.

The construction on these projects will begin in the spring.

Widening the driveway

We want to expand the right side of the parking lot
