When you are spring cleaning and condensing your clutter please keep in mind the library will be having a garage sale **Saturday June 16**. You can bring those unwanted /unneeded items (no clothes) to the library and we will try to sell them. Proceeds go to help support the library.

Also, we are having a plant & sale so when you divide your plants you can drop them off at the library and we will try to sell them to support the library. If you need a little help we will try to get over to your place and give you a hand.
Thank you
