Curtis Township Library

October 2011

Jerry Emerson - Library Board President February 27, 1922 - August 26, 2011

Jerry came out of retirement in 1994 so he could be the general contractor for the construction of the new library. The new 3800 sq. ft. building is a HUGE improvement over the unheated 600 sq. ft. room behind the Curtis Township Fire Department. Our beautiful library would not be here today without Jerry's dedication and leadership. He will be deeply missed.
