### GRANTS

The Robert C. Reihardt Grant application is in the works and will be accepted or denied by August 31st, 2010. Keep your fingers crossed. That could be \$25,000 in the library's survival fund.

The challenge grant was met due to the donations of Mr. & Mrs. Lee Holliman, George Schultz and Linda Howell. Thank you, all!

There are two other grants in the works for more DVD shelving as well as audio books.

We are applying for a Broadband Technology Opportunity Project grant. If accepted, we would be getting 3 new computers in 2011.

### LIBRARY NEWS

What was life like in the 1950's and 1960's? The 'Old Time Rock And Roll' presentation by the Curtis Township Library gave the world a little insight into the past.

The audience was treated to remembrances of Bill Haley & the Comets, Elvis, Little Richard, Chubby Checker, Buddy Holly and more.

Do you remember the hula hoop, the original Barbie Doll and John Glenn in space? The classic rock & roll music of the '50's and 60's were featured on the July 20 presentation. If you were there, you were 'cool'. If you weren't, you were 'square'.

We are now getting the latest non-fiction books in large print at the rate of 2 books a month. All you need is your library card number and PIN number. E-books are also available from our website for a 1-week checkout.

All of the services at the library are free but donations are appreciated especially these days when state and federal aid are dwindling. Try to remember your library when you are planning your estate as well.
