### NORM YODER

#### IN MEMORIAM

It is with a great deal of sadness that we say goodbye to Norm Yoder, one of the original 'founding fathers' of the modern Curtis Township Library, the 'Great Generation' who built this jewel of Glennie and Curtis Township. Norm was there from the groundbreaking back in 1998, helped to build the building, and he remained on the Library Board for the following 12 years. Norm passed away in August. We will miss his contributions and mischievous sense of humor. Godspeed, Norm!

### A NEW ROOF NEEDED

The Curtis Township Library needs a new roof! The building was topped with asphalt shingles in the fall of 1998 and that original shingle coating remains today. The ravages of time are taking their toll and we need to replace it soon before leaks begin to develop and cause interior damage. If you are a licensed contractor, the CTL Library Board is accepting bids or estimates on having a steel roof installed. Please contact Deb Tacoma, Library Director, or the Library Board at 989-735-2601 for information or bid submission. The work is planned as soon as we receive enough donations or grants and qualified bids to cover the cost of the new roof. The estimated time frame for the work is fall of 2013 or the spring of 2014 as soon as the business and financial arrangements can be made.

### NON-FICTION AUDIOBOOKS

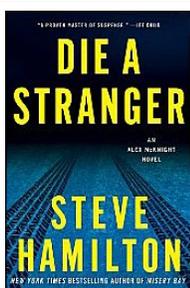

I read recipes the same way  
I read science fiction.  
I get to the end and I think  
"Well, that's not going to happen"

### COMPUTER CLASSES!

In early July, the Curtis Township Library received the notice from the Mary Thompson Foundation that we were awarded a \$1000 grant (written by Dorothy Smith) to purchase the second computer system to be used for training classes at the library. CTL is moving forward now with the purchase and classes for new computer users, as well as current users who would like to increase their skills, will begin as soon as the equipment can be obtained and classes and instructors can be lined up. Classes will be restricted to one or two students at a time so that individualized instruction is maximized. The library staff is always available for quick help with your own computer. Stay tuned for details.

### NEW BOOKS

**Die A Stranger (Alex McKnight #9)**  
by Steve Hamilton.

Late one night, a plane lands on a deserted airstrip. Five dead bodies are found there the next morning. And now Vinnie LeBlanc is missing. Vinnie is an Ojibwa tribal member, a blackjack dealer at the Bay Mills Casino, and he just might be Alex McKnight's best friend. He's come through for Alex more than once in the past, and he never ever misses a day of work. So Alex can't help but be worried. There's a deadly crime war creeping into Michigan's Upper Peninsula, leaving bodies in its wake, and Alex wouldn't think for a minute that his friend could be involved. But when an unexpected and unwelcome stranger arrives in town, Alex will soon find out that the stakes are higher than he ever could have imagined.

### NEW DVDS

#### Oz the Great and Powerful

Disney's fantastical adventure *Oz*, follows Oscar Diggs (James Franco), a small-time circus magician with dubious ethics. When Diggs is hurled away to the vibrant Land of Oz, he thinks he's hit the jackpot — until he meets three witches (Mila Kunis, Rachel Weisz and Michelle Williams), who aren't convinced he's the great wizard everyone's expecting. Oscar must find out who is good and who is evil before it's too late. Great effects, a plot not a re-make of THE OZ flick, make good entertainment for the whole family.
