

There's a new program @ the Negaunee Public Library!

One of the best ways to encourage learning is to spend time sharing books every day with your child. Reading together helps develop important skills – like understanding the sounds letters make, developing a bigger vocabulary and building background knowledge – that provide a solid reading foundation. That's a key to school and learning success! It's also a great way to bond with your child. Reading together is fun!

Sign up for this **free** program for your newborn, infant, toddler, or even preschooler! **1,000 Books Before Kindergarten** is easier than you might think. If you read just one book each night, you will read 365 books each year, 730 books in two years, and 1,095 books in three years! Read more books each day or come to library storytimes, and 1,000 books will fly by even faster. Earn rewards at every 100-book milestone, and celebrate with a graduation party at 1,000 books!

For more information or to register, visit the Negaunee Public Library!
