## Welcome to Superior District Library

Welcome to the first edition of *Superior News*. We are very excited about our change-over to a district library. This will bring many positive changes to the library operation, and the *News* is one of them. We will continue to keep you informed about Bayliss events. In addition, we will be featuring more of what is going on at each of our locations across the dis-

trict. This way you will be able to contemplate regular road trips to other Superior District Library (SDL) locations for special events—and there will be many.

Remember that your library card, issued at any Superior District Library, is good at all SDL Libraries. This now includes Rudyard Library, so if you are a Kincheloe resident there is no longer a non-

resident charge at Bayliss or any other SDL location.

I hope that you will be able to visit many of our wonderful locations and meet the great library staff you will find there to serve you, as you explore the new district library system.

## Steve Hamilton Returns to the U.P.!

Author Steve Hamilton is returning to the U.P. this summer to promote his new Alex McKnight mystery, *Let It Burn*. His first stop in the Eastern U.P. will be at Bayliss Public Library on Saturday, August 3, at 11 a.m. Stop by the Friends of Bayliss' Used Book Sale and stay to hear Steve!

Book World will provide copies of his book for sale and signing.

If you can't make it to Bayliss for that engagement, you will have three other chances to see Steve. His Let It Burn Tour, along with the U.P. Book Tour, will be at Rudyard Library on Monday, August 5, at 1 p.m.; at Whitefish

Township Community Library in Paradise at 3:30 p.m.; and at 6 p.m. in Newberry, MI at Tahquamenon Area Public Library.

## Michigan Humanities Council Awards Grant to Boost Early Literacy

Thanks to MHC, Saroj Ghoting, Early Literacy Specialist, will be touring six U.P. libraries this October. A \$5,674 grant titled “Opening Young Minds to the Culture of Language” has been awarded to five Superior District Libraries, as well as St. Ignace Public Library and Tahquamenon Area Library. Ghoting will visit the libraries and demonstrate how to excite children—who can-

not read yet—to the wonder of books. Her presentation will target those who instruct children: parents, grandparents, teachers, daycare providers, health care workers, and others.

Working through instructors, a great many number of children can be reached. Using books and reading, doors to the arts and humanities open. Through this grant, we hope to light a spark for

literacy and all the arts!

Saroj Ghoting will be speaking at these libraries: Bayliss Public Library, Tahquamenon Area Library, Curtis Library, Engadine Library, St. Ignace Public Library, and Les Cheneaux Community Library & Pickford Community Library.

## Bayliss Receives Donation of Historical Materials

The Judge Joseph H. Steere Room at Bayliss Public Library recently received two donations for their collection.

The first collection, donated by a local family, is the Lucy Ripley-Ashmun Collection. Lucy was the daughter of Samuel Ashmun, one of the forefathers of Sault Ste. Marie. He was a clerk at the American Fur Company, a member of the Michigan Legislature, and postmaster here for

two terms. Ashmun Street is named for him.

Lucy married Charles Ripley, who worked for a time as a customs inspector and served as township clerk, village assessor and as a member of the village commission.

Lucy’s papers consist of letters from her husband and family, newspaper clippings, miscellaneous cards and receipts, and the family Bible.

The second donation is the cane of Judge Joseph

H. Steere from Paul Sabourin of Sault Historic Sites. The cane is made of wood with a gold plated circlet that is inscribed “Justice Moore to Justice Steere—Paris, 1927.”

The library is honored to include both donations in our collection. Both additions will be housed in the Judge Joseph H. Steere Room.

## Dr. Walker Returns!

Join us for another thought-provoking talk by retired Professor of Humanities, Dr. James Walker. He has generously given fascinating art historical programs at Bayliss Public Library for the past eight years.

This year he will speak about “The Beginnings of

Religion,” a topic about which he has just written a book.

His program will take place on August 8, at 7 p.m., at Bayliss Public Library. Walker will present the latest research on Stonehenge, the Ziggurats in Iraq, and on the Gobleki Tepe, the world’s

oldest temple—12,000 years old—in Turkey.

## Virge and Immie's Seed Saver Project

Virge and Immie's Seed Saver Library has been established at the Pickford Community Library and is ready for you to check out seeds to grow!

Let's learn to save seeds again. A seed library is a place for you to check seed out for free, grow it out in your garden, and return twice as much (or any amount) seed as you took. All you need is your library card to participate!

Pickford Community

Library has a collection of materials available for check out or review on gardening and related topics. The library or the Project Coordinator are unable to offer gardening tips or methods, nor can they guarantee the germination of the seeds. We are happy to provide this Project as a way to learn the art of seed saving as well as introduce gardening to people who want to grow their gardens for their families.

Please contact Library

Manager Ann Marie Smith at the Pickford Community Library with any questions at 906-647-1288 or email her at [pickfordlib@uproc.lib.mi.us](mailto:pickfordlib@uproc.lib.mi.us), or contact Sheila Bergdoll, Project Coordinator for Virge & Immie's Seed Saver Project, at [sbergdoll@msn.com](mailto:sbergdoll@msn.com). Find us on Facebook: Virge & Immie's Seed Saver Project: <https://www.facebook.com/VirgeImmiesSeedSaver>.

## Storyteller Comes to Drummond

The Drummond Island Library will be hosting, along with Les Cheneaux and Pickford Libraries, Colleen Sutherland, international storyteller, author, journalist, and musician from Wisconsin for an hour-long program on Tuesday, July 16.

Colleen loves the outdoors and is an avid camper—so we know she will relate to the audience of Drummond Island.

## MI Big Green Gym

Pick up your free pass to MI Big Green Gym (formerly Park & Read) at any of the following Superior District Libraries: Bayliss Public Library, Curtis Library, Drummond Island Library, Engadine Library, and Pickford Community Library.

Each pass must be redeemed seven days from check out and is good for one day at any Michigan State Park, or access to a family-friendly attraction at a local park. For a complete list of where you can use this pass, visit [www.mibiggreengym.org](http://www.mibiggreengym.org).

## A 1,000-Mile Great Lakes Walk

Michigan author Loreen Niewenhuis will tour three Superior District Libraries and another EUP library in July.

In 2009, she walked the perimeter of Lake Michigan and wrote the bestselling book, *A 1,000-Mile Walk on the Beach*. In 2012, she took another long journey, covering areas of shoreline touching all five Great Lakes, and wrote the book *A 1,000-Mile Great Lakes Walk*.

In her presentation she will take you along the shores of all five Great Lakes and many of the

waterways connecting them. In words, photos, and video, she'll explore the geology, hydrology, and natural history of the largest system of fresh water lakes in the world. She will also illuminate the threats to this massive ecosystem: invasive species, pollution, destruction of wetlands, and the gradual warming of the lakes. Niewenhuis speaks with the authority of an expert as she has a M.S. degree in the biological sciences. She raises important questions about preserving our wild places and protecting the

fragile ecosystems on which we all depend.

Her tour schedule will be: July 24, at 2 p.m., Les Cheneaux Community Library (co-sponsored by Pickford Community Library); July 25, at 7 p.m., Bayliss Public Library; July 26, at 6:30 p.m., Tahquamenon Area School Public Library in Newberry; and July 27, at 11 a.m., Engadine Library.

The tour is supported by Sault Naturalists Club of Ontario and Michigan. Her books will be available for purchase and signing.

## U.P. Book Tour 2013 Making Stop at Rudyard Library

The U.P. Book Tour will be making a stop at Rudyard Library on Monday, August 5, at 1 p.m. We are excited to be having five authors that will

attend this event. Best-selling authors Steve Hamilton and Sue Harrison, along with Ron Riecki, Keith Taylor, and Marty Achutz will all be

in attendance. Each author will have books available to purchase and will sign personal copies for you.

Remember to mark

your calendars for this event. It promises to be the must-see event of the summer!

## MCACA Grant Workshop

Bayliss Public Library will host a Michigan Council for Arts and Cultural Affairs Workshop on August 7, from 4 to 7 p.m.

The workshop is designed to assist area non-profit organizations with their funding requests for MCACA grants. For more information, contact [grahame@michigan.org](mailto:grahame@michigan.org).

Historical pictures of Brevort Township are now on view at the Brevort Township Community Center/Library. There are also some interesting documents and a plaque of Brevort Township World War II veterans. Take some time to stop in and look them over. You won't be disappointed!

## Quilt Show and Book Sale at Curtis Library

Curtis Library will hold a Quilt Show and Book Sale August 7.

Inside the library, the Quilt Show will feature some of the loveliest quilts the Curtis Quilters have stitched. The Quilters will be at work on their frames during the show. Vendors of fabrics, threads, looms, patterns and quilting supplies will have tables of wares for sale.

Outdoors on the lawn, the Friends of Curtis Library will hold a BIG Book sale! The whole village of Curtis has sales on August 7... a great day to come to town!

## Poetry in the District

On July 11, at 7 p.m., Bayliss Public Library will host its next Superior Poetry Café, with featured poet Jonathan Johnson, and open mic. Jonathan Johnson was one of the authors who visited Bayliss Library on the U.P. Book Tour 2011. He is a professor at the Inland Northwest Center for Writers, the MFA program at Eastern Washington University, but he spends time in the U.P. He has published two poetry books, *Mastodon*,

*80% Complete* and *In the Land We Imagined Ourselves*.

The new book *The Way North: Collected Upper Peninsula New Works*, edited by Ron Riecki, includes an introduction by Johnson, as well as a poem and story he wrote. Johnson is the author of a memoir, *Hannah and the Mountain: Notes Toward a Wilderness Fatherhood*.

The public is invited to bring their poetry, other writing, stories, and mu-

sic to perform at the open mic.

Celebrate family, fun, and hometown pride at the "There's No Place Like Home" poetry hour on July 23, from 7-8 p.m., at Pickford Community Library.

Local poet Renee Dreiling will host this "Hay Days inspired" poetry hour. Bring your favorite poems, pictures, stories, or drawings to share.

## Rainforest Animals and the Universe Presented at Les Cheneaux Community Library

Les Cheneaux Community Library will be hosting "Rainforest Animals" on July 17, at 10 a.m.

The exotic presentation will focus on the importance of preserving the rainforest environment. Live animals will be introduced through the show as we discover where the rainforests are, why they are there, and the layers of a rainforest

with the flora and fauna in each. We will see the negative impact of pollution and deforestation on the animal kingdom and we will learn how to best preserve the rainforest which is necessary for a healthy atmosphere. Each live animal represents a certain area.

"Our Amazing Universe" will be at the library on July 25, at 3:30

p.m. Join the "Captain" as he takes us on a journey through time and space from the heart of the sun, through the solar system and beyond. Attendees will see many examples of satellites and rockets, such as the Saturn 5 which carried men to the moon.

## Pickford Community Library Participating in Hay Days

Pickford Community Library is playing an active part in Hay Days again this year. The library is partnering with the Friends of the Pickford Library for the "Hay Days Book Signing" in the Pickford Arts and Learning Center from

noon to 2 p.m. on August 3. The authors and illustrators include Dar Bagby, Connelly Brooke, Linda Dale Cook, Cheryl Lanning, Betty Soddors, and the Pickford Community Library Young Adult Writers Group.

The Friends are also joining with the Sandridge Armed Forces Veterans to sponsor the

"Hay Days Essay Contest" for elementary, middle, and high school students. The title for this year's essay is "How Can I Help My Community." All essays must be accompanied by a registration form which is available at the Pickford Community Library. For more information, contact the library at 906-647-1288.

## EUP CAN

Watch for two programs at SDL libraries this summer and fall about the College Access Network that can assist area residents with decisions about college and careers.

The sessions, entitled "Introduction to Michigan College Access Portal," will provide assistance with using the website that contains useful college and career information for students and residents of Michigan.

You may bring your

own laptop to the session or use a library computer, where available.

A summer session is being planned for Les Cheneaux Community Library and at Bayliss Public Library on September 24, at 6:30 p.m. Contact your library for more information.

## Drummond Island Library Back in Summer Swing

Now that summer is finally here we are daily seeing our regular patrons, summer residents, and visitors to the Island. Books are "flying" off the shelves as folks sit back, relax, and read during our longer days of sunshine. Every day patrons come to use our computers and wifi.

Literature on local flora and fauna is in demand, as well as materi-

als on Upper Peninsula and Island history. We keep many titles by local and Michigan authors in our book stacks.

During the winter months, our library underwent a "face-lift." We acquired new shelving, so books are now located in "new home" sites allowing easier access and expansion of library collections.

Our library on Drum-

mond Island is not large but we utilize every inch of space with new books, audio books, "old familiar reads," as well as 28 monthly magazines. Drummond Island Public Library serves the community well—a place for patrons to renew acquaintances, catch up on their reading must-haves and personal computers.

Les Cheneaux Community Library is happy to be celebrating 10 years being open in our lovely building. On August 4 we will have an open house from 2 to 5 p.m. on the library premises at 75 E. Hodeck St., Cedarville, MI. There will be music, food, historical videos, storytelling, a magician, a clown, games, face painting, and wonderful Jersey Mud. Come one and all to celebrate our Community Library.

## Chippewa County Historical Society

Local horticulturist Neil Moran will speak at the Chippewa County Historical Society's July 18, 7 p.m. public meeting at Bayliss Public Library.

"Heirloom Seeds and Native Plants" will be the topic and he will discuss early native plants grown in this area. For more information, contact [cchs@sault.com](mailto:cchs@sault.com). Moran will have his three gar-

dening books available for purchase and signing.

## Young Adult Writers Workshops Offered at Pickford Library

There's lots of fun in store for you this summer at the Pickford Community Library! Local novelist, Sue Harrison, has agreed to lead three workshops for teens this summer on the fine art of composing book reviews. Sue wants this learning experience to be a fun, laid-back approach that fits our casual U.P. summers, but her workshops are designed with a serious writing repertoire in

mind.

Each of our young authors will receive a couple of free books, including Sue's novel, *Mother Earth Father Sky*.

The workshops are free and open to all teens with an interest in writing. Registration is required and can be done by calling the library at 906-647-1288 or email Ann Marie Smith at [am-smith@uproc.lib.mi.us](mailto:am-smith@uproc.lib.mi.us).

Watch for July and August session dates.

## Chippewa County Genealogical Society

The Chippewa County Genealogical Society meets at Bayliss Public Library on the third Tuesday of each month, at 7 p.m.

On July 16, Charles W. Meiser will speak about "Genealogy for Kids."

A research session will held on August 20, using

the library's resources, including Ancestry Library Edition, the database that is jointly funded by CCGS and Bayliss Public Library and is available at all Superior District Library member locations.

Their programs are free to the public.

The Brevort Township Library 2013 Summer Reading Program will run from until August 10.

Calling all TEENS! The 3rd Annual Teen Graffiti Art Contest will be held Tuesday, August 6, at the Sault Summer Arts Festival. See you there!

Le Sault Artists Guild Artist-of-the-Month  
  
July—Randy Krause  
August—Eileen Jokinen  
  
Art work is on display at Bayliss Public Library.

The Drummond Island Library is participating in the Michigan Summer “Dig Into Reading” Program. Weekly the young folks attend an hour-long session of reading, creating, and “digging into” various subjects such as botany and archaeology. Fun! Fun! Fun!

The Rudyard Library’s children’s Story Hour is off to a great start and will meet each Tuesday at 12:30 p.m. We encourage you to take advantage of the “Meet and Eat” program located at the cafeteria before heading over to the library for stories and entertainment.  
  
You may have noticed that we are undergoing some rearranging and growing this summer with many additions of children’s materials. We appreciate your patience and understanding.

## Dig Into Reading at Bayliss Public Library

“Dig Into Reading,” 2013’s Summer Reading Program, is in full swing with more than 100 children visiting the library weekly. They are recording the titles of the books they’ve read and hanging them from the ceiling. It not only looks festive but also stirs up a little competitive spirit! We know that we’re having a successful program when we have to loop up the streamers so we can

do art projects. Mark your calendars for “Dinosaurs to Reptiles” on July 16, at 2 p.m. This exciting, live animal program explores the characteristics of dinosaurs and ancient amphibians, as well as reptiles of long ago and today. This presentation promises loads of interac-

tion and hands-on activity with the animals, as well as many demos with skulls, bones, fossils, and artifacts.

This is part of our Summer Reading Program, but is open to the public and free of charge.

## Young Author Connelly Brooke Coming to Rudyard Library

Rudyard Library is excited to be hosting Connelly Brooke on Tuesday, July 25, at 1 p.m. Connelly, 13, a recently successful young author will do a presentation on her new book *Torn*. This is the first book in the trilogy Jida’s Quest that she is working on.

Connelly Brooke is a

young, home-schooled author. Not long after her twelfth birthday, she let her imagination take flight as she thought of the exciting characters and unique plot for *Torn*. Her goal was to capture all the adventure, excitement, and danger that were in her imagination and transform them into text.

She had a goal of publishing her first book before she became a teenager. She knew that this would be a difficult goal to achieve. With much work and perseverance, she tried her very hardest to finish writing *Torn* in only one year. She succeeded and is eager to share her writing experience.

## Author Deborah Frontiera Visits EUP

This summer marks the centennial of the 1913 Copper Strike, which is the subject of Deborah Frontiera’s novel *Living on Sisu: The 1913 Union Copper Strike Tragedy*. The novel is a middle grade historical novel that appeals to adults as much as it does to children. It is written from the viewpoint of a twelve-year-old girl whose father is on strike. The trait the Fin-

nish people call “sisu” will help her and others in the region live through it.

The author will dress in a period costume, tell what life was like in those days, explain how writing historical fiction is different from “regular” fiction, and tell about her adventures while researching and writing the book.

Deborah will be at various EUP locations this summer, including

July 30, at 6:30 p.m. at Bayliss Public Library; July 31, at 3 p.m., Engadine Library; and August 1, at 6:30 p.m., DeTour School & Public Library.

She has also written a picture book set on Isle Royale. Her books will be available for purchase and signing.

## Annual 4th of July Book Sale at Drummond Island

The Annual July 4th Book Sale at Drummond Island Library will be held from 10 a.m. to 2 p.m. this year. The monies received from this sale are generally targeted for the children's area.

Our Friends of the Library reconvened in April and are busy fundraising for the library. The FOL

has purchased and now maintain our seven computers, provide us with leased books from McNaughton, and provide additional monies for various items as needed.

The Friends of Les Cheneaux Community Library are having their bi-annual book Sale on Monday, July 1, from 4 to 8 p.m., Tuesday, July 2, from 11 a.m. to 5 p.m., and Wednesday, July 3, from 11 a.m. to 5 p.m.

We hope to see you there!

## Friends of Bayliss Public Library Update

Summer's here and it's time to gear up for another Big Book Sale! Our successful Spring Book Sale brought in \$733.55, which we promptly spent on Bayliss Public Library. So we need to fill up the pot of funds we raise for Bayliss again!

The Umpteenth Annual Gently Used Summer Book Sale will be held Friday, August 2, from 9 a.m. to 4 p.m., and Saturday, August 3, from 9 a.m. to 1 p.m. Be sure

to come early for the best selection! We will be set up inside and outside the library.

The Early-Bird Friends First Pre-Sale will be on Thursday, August 1, from 5 to 6:30 p.m., in the Community Room. Your annual Friends membership gets you a ticket to the Friends First Sale and free book or video (except Nearly New items). It's our "Thank You" for generously supporting the Friends and Bayliss Library. If you

haven't renewed yet, sign up at the Circulation Desk at Bayliss and be ready for the Early-Bird Sale!

We are looking for donations of hardcover and paperback books, videos (VHS & DVD), magazines, and puzzles. If you've got some to donate, please bring them to the Circulation Desk at Bayliss during regular library hours.

As always, thank you for supporting the Friends of Bayliss and Bayliss Public Library.

Stop by the Friends of Bayliss table at the Sault Summer Farmers' Market on Wednesdays, from 4 to 7 p.m., weather permitting. Friends volunteers and staff will again be offering gently used gardening and cookbooks for sale. There will also be information on SDL events and services.

## Author Roy Spencer Coming to Bayliss Public Library

On July 2, at 7 p.m., author Roy W. Spencer (SAHS Class of 1973) will speak about "Global warming: Should We Be Worried?"

Dr. Spencer leads a climate research group at the University of Alabama in Huntsville, where he has lived since 1984. He serves as the U.S. Science Team Leader for the AMSR-E instrument on NASA's

Aqua satellite. Dr. Spencer is the co-developer of the first method for precision monitoring of global temperature variations from Earth-orbiting satellites and performs research into the role of clouds in the Earth's climate system and in global climate change. He is the recipient of NASA's Medal for Exceptional Scientific Achievement, and has

testified in congress on several occasions.

His first book *Climate Confusion* was a *New York Times* bestseller and his second book *The Great Global Warming Blunder* continues the theme of the first. Spencer also authored *Fundanomics: The Free Market Simplified*. His books will be available for purchase and signing.
