July/August 2015

Volume 3 Issue 1

## Superior District Library

Member Libraries:

- Bayliss Public Library
- Brevort Township Community Library
- Curtis Library
- Drummond Island Library
- Engadine Library
- Les Cheneaux Community Library
- Mollie R. Kahl Community Library
- Pickford Community Library

## Frequently Asked Questions about the Upcoming Millage

The Superior District Library will be holding a millage election in August to renew our funding for the eight affiliate libraries in the district. We are not asking for any increase, which means that funds will be assessed at the same rate of 0.5 mill that we have been getting for the last two years since the district was formed. The following is information about the upcoming ballot:

**What is the Superior District Library?** The SDL is made up of eight affiliate libraries throughout the Eastern Upper Peninsula. It includes libraries in Brevort, Cedarville, Curtis, Drummond Island, Engadine, Pickford, Rudyard, and the city of Sault Ste. Marie. It was formed by an agreement between Chippewa County, Mackinac County and the City of Sault Ste. Marie in 2013. The population served by the Superior District Library is approximately 40,000 people.

**What will it cost me, the taxpayer, per year?**

The millage assesses \$ .50 per \$1,000 of taxable property. Taxable property is calculated at about half of what your property is worth. For example, if your house and land are worth \$100,000 market value, the taxable value is about \$50,000, and you will pay about \$25 per year (or \$2.08 per month) to support the library. This is less than the cost of one hardcover book. If your property has a market value of \$50,000, you will only pay about \$12.50 per year to the library or the equivalent of about two weeks' worth of internet connection costs.

**What do I get for my money by having a library card?**

As a taxpayer, you will have access not only to the library closest to where you live, but can check out books and materials, use the computers, and attend free programs at all eight affiliate libraries. In addition, you now have access to over

164,000 books, 5,400 audio books, 3,200 eBooks, 6,900 magazines and newspapers, 12,500 DVDs/videos, and much more. We also offer free Wi-Fi, public computer use, inter-library loan services, local historical materials and microfilm, access to the Michigan Electronic Library (MeL) and Ancestry genealogy database. All of the affiliate libraries also offer a wide variety of programs for all ages, including arts and crafts, community forums, concerts, story time for children, author visits, poetry readings, computer classes, and special interest lectures.

**Why ten years?** Our goal is to ensure stable funding for the entire Superior District Library. To do so, we need to be able to budget in advance for upcoming programs, technology updates, building maintenance, and the purchase of new materials. Elections are time consuming, expensive,

Superior District Library affiliates will be closed on Saturday, July 4.

### Inside this issue:

- Super Science Day **2**
- Michigan Activity Pass **3**
- Music on the Porch **3**
- Carl Behrend **4**
- “The Science of Evolution” **5**
- What’s It Worth? **6**
- Claudia Schmidt **6**

The Children's Chess Club will continue on the first Thursday of the month at 4:30 p.m. at **Bayliss Public Library**.

The **Drummond Island Library** Summer Reading Program began June 13 and will run through August 21.

The focus is "Every Hero has a Story in our Community." Area heroes from the EMS, the Fire Department, the ferry, the medical profession, animal rescue, food bank and our patrons will participate in different sessions with related books and craft activities.

The Saturday LEGO Club will meet at 2 p.m. for July and August.

The Homeschool LEGO Club will continue to meet this summer on the second Tuesday at 1 p.m. at **Bayliss Public Library**.

Put on your cape and join us at **Les Cheneaux Community Library** for the Summer Reading Program "Every Hero has a Story!" Sign up at the library, read six books by August 8, and win a prize!

Each year a group of Drummond Island residents sponsor a memorial golf tournament and earmark the proceeds to benefit the elementary school children. This year the **Drummond Island Library** is the fortunate recipient of the proceeds. We are excited to see what new materials we will be able to add to our youth section.

## Summer Reading in Full Swing at Bayliss Public Library

Summer Reading is in full swing at Bayliss Public Library with four sessions a week. There is still plenty of room for super readers wishing to be involved in stories, art projects, prize drawings and special guests. Call Debbie Lehman at 632-9331 or email her at [debiel@baylisslibrary.org](mailto:debiel@baylisslibrary.org) for more information.

The theme for this year's Summer Reading Program is "Every Hero has a Story." Children have heard about animal

heroes and upcoming heroes will be Hercules, Paul Bunyan, and Jane Goodall as well as the ever popular superheroes. We will be creating our own individual superheroes and making our own masks. Super Readers will have to help dispose of kryptonite hidden all over the Children's Room to save Superman and negotiate a fiction aisle protected by "laser beams."

We enjoyed a visit by local author Thelma Osborne Godin sharing her first book *Hula Hoopin' Queen* and were able to

see the galleys of her next book *How to Dress a Dragon*. More than 85 children were "hoopin" with her. One young girl put down her crutches to hula hoop!

Don't forget Super Science Day by the Ann Arbor Hands-on Science Museum on July 18 at 1 p.m. We will need 10 adult volunteers to come 30 minutes early to help with the activities.

The festivities will be wrapped up with the Ice Cream Social on July 25 at 1 p.m.

## "Every Hero has a Story" at Engadine Library

Come join the summer fun at Engadine Library. Our Summer Reading Program runs from July 8 to August 12 from 3-4 p.m. for ages 3-12.

Keeping with the theme "Every Hero has a Story", a special program will be

presented on July 10 at 3 p.m. called "Heroes", which will be put on by the Michigan Science Center. On July 16, the Ann Arbor Hands-on Science Museum will bring their Super Science Day program to Engadine at 7

p.m. On August 7, at 2 p.m., Joel Tacey will be bringing his Super Caper program to town.

## 3 Opportunities to See the Ann Arbor Hands-On Museum at Your Superior District Libraries

The Ann Arbor Hands-On Science Museum will be presenting a Super Science Day program at three of our Superior District Libraries. There will be 10 interactive science and math related activities for students to explore with their families. Some of the activities will be "make-and-takes" where students will be

able to take their creations home.

**Engadine Library** will be the first stop on the SDL trail! They will be hosting the program on July 16 at 7 p.m.

The show moves to **Bayliss Public Library** on July 18 from 1-3 p.m. Debbie Lehman is looking for 10 adult volunteers to help with the ta-

bles. Volunteers need to arrive 30 minutes before the program for a brief training session.

**Mollie R. Kahl Community Library** will be hosting the two-hour program on July 22 beginning at 12:30 p.m.

Super Science Day is great for the whole family. We hope to see you there!

## Music on the Porch at Les Cheneaux Community Library

Music on the Porch continues this summer at Les Cheneaux Community Library.

Musician Claudia Schmidt will be playing on the porch on July 10 at 7 p.m. Claudia's musical style "seamlessly bends folk and jazz."

Lee Murdock will perform on July 16 at 7 p.m. Lee has uncovered a boundless body of music and stories from the Great Lakes. Taking snapshots from history, his songs summon the listener to take a front-row seat and

look through the eyes and into the hearts of individuals who have shaped our heritage on and around the Great Lakes.

Come hear Bill Jameron on the porch on August 20 at 7 p.m. as he presents "A Musical Tribute to Michigan's Upper Peninsula." Immigrants came from countries like Finland, Sweden, Croatia, and Italy with little more than the shirts on their backs. They came for the American dream and found it in the iron range cities of the Upper Penin-

sula. Journey back to the days of timber hoisters, powder monkeys, and muckmen. Listen to songs about children bringing pasties to their dads, picking thimbleberries, Saturday night saunas, ski jumping, and more!

Music on the Porch is a great way to spend a summer evening! Just bring your toe tapping abilities and your own chair. In case of inclement weather we will move the concert inside. See you there!

Barbara Rylko-Bauer will be at the **Engadine Library** on July 9 at 7 p.m. to talk about her book *A Polish Doctor in the Nazi Camps*. Her mother was in a concentration camp and her father was in a prisoner of war camp during World War II.

Barbara is a medical anthropologist working as an adjunct Associate Professor of Anthropology at Michigan State University.

Come join us as we learn more about the concentration camps of World War II.

## Michigan Activity Pass—Get Yours This Summer!

The third year of the statewide Michigan Activity Pass (MAP) went live in May 2015.

MAP is available to library card holders at Michigan's nearly 400 public libraries. Your library card enables you to print passes from any computer for discounts on fun activities throughout Michigan.

Search the website [www.michiganactivitypass.info](http://www.michiganactivitypass.info) to find this year's offer-

ings of more than 230 state parks, historic sites, forest campgrounds, and recreation areas. From the search screen, type in Superior District Library and then choose your affiliate library.

There are several ways to search for a location. You may select different mileage amounts from your current zip code to find locations in that range, you may search through their brochure, or

go to advanced search and search by subject. Once you find a location of interest, select Get Pass, check Pass Details, select the date of your visit, and you will be asked for contact information and library bar code. From there you may print your pass or have it emailed to you.

Summer is a great time to explore all that Michigan has to offer!

Luce County resident Betsy Lewis will present

"Agate Hunting 101: An Agate Adventure for Beginners" on Thursday, July 30 at 2 p.m. at **Les Cheneaux Community Library** and at 6:30 p.m. at **Bayliss Public Library**.

Those who attend will learn how to find and collect Lake Superior agates. They will learn what they look like on the beach, what characteristics to look for, how to recognize a variety of different Lake Superior agates, and why people have so much fun agate hunting.

If you have a possible agate, bring it with you for an evaluation.

Betsy Lewis's program has been well received at Tahquamenon Area School Public Library. She will have some items available for sale.

This program is for ages 8 and up. Children 8-14 must be with a parent.

## Bayliss Public Library Celebrates 110 Years!

2015 is the 110th anniversary of Bayliss Public Library (formerly the Carnegie Library). In commemoration, the Friends of Bayliss will hold a birthday party and book signing on Saturday, August 8, during their Gently Used Book Sale.

The library's 2005 his-

tory book *From Carnegie to Bayliss: The First Hundred Years of Sault Ste. Marie's Public Library* will be offered on special for \$4.

The author, Bernie Arbic, and cover illustrators, Ken Hatfield and David Bigelow, will be on hand to sell and sign the book

as well as other books/artwork. The book *From Carnegie to Bayliss* is also available for sale this year at the old Carnegie Library building (the EUPISD) on Armory Place.

Pencil drawing and color painting classes will be a focus this summer for the Rudyard area.

Adult watercolor painting classes with Dawn will begin on Thursday, July 9 from 2 to 5 p.m. at **Mollie R. Kahl Community Library**. These classes will run for six-weeks and will include the necessary materials. The cost of the session is \$5. Please call 478-4504 to sign up.

Students will be able to attend beginner pencil drawing classes with Margaret LaPonsie this summer. Dates and times are not firm yet but watch for announcements in the near future. Students, this your chance to get creative. We know this is a high interest area because we can't keep drawing books on the shelves! Please call for further information.

Come to **Les Cheneaux Community Library** on July 23, at 3:30 p.m. and learn about the legends and heroes of rock & roll in a fun, interactive, and energizing concert.

Rock & Roll Heroes will enthral patrons of all ages! It will be an entertaining and hilarious snapshot of the music and vibes that helped shape a generation! A chart-topping hit with all audiences!

*"What in the world would we do without our Libraries?"*

—Katherine Hepburn

## **The Princess Bride at Curtis Library**

Teens and pre-teens in the Curtis area are spending time in the library rehearsing for their production of **The Princess Bride**.

The play is funny, and the young performers have a great time together. The cast is making

their own costumes and sets. The producers for the show are Josh Townley and Brooke Whiskin, summer student employees of Curtis Library.

The entire community is invited to the performance in August. Watch for exact dates.

The Dread Pirate Roberts, Wesley, Buttercup, and the other characters will help give teens a great summer! "As you wish..."

## **Storyteller Pete Griffin Set to Visit Bayliss Public Library**

Bayliss Public Library will host storyteller Pete Griffin on Thursday, July 23 at 7 p.m. He will perform "The Skunk Whisperer and Other Stories from a Life in the Forest Service."

Griffin grew up in Cedarville, graduated from Lake Superior State College in 1974 with a B.S. in biological science, and became a

wildlife biologist. When he was promoted in 1999, to Forest Ranger, he started telling his stories on the radio.

His library talk will include stories from Michigan to Minnesota to Alaska, including "Mack Lake Fire" and "A Wolf Called Romeo." The stories are humorous and poignant, highlighting lessons learned the hard

way. They are not stories for young children.

Thank you to Les Cheneaux Community Library for recommending Pete Griffin.

For more information about the storyteller, see [www.thestorytellingranger.com](http://www.thestorytellingranger.com).

## **Carl Behrend, Author/Singer Songwriter Will Visit Two Superior District Libraries**

Munising resident Carl Behrend will be at two Superior District Libraries on Thursday, July 2.

He will present "Two Great Nations: One Great Lake, Sailing Solo around Superior: A Photographic Journey." At 2 p.m. he will be at **Les**

**Cheneaux Community Library** and at 7 p.m. he will be at **Bayliss Public Library**.

His book **Adventure Bound: Father and Daughter Circumnavigate the Greatest Lake in the World** will be available for sale and signing, along with his music CDs.

Carl Behrend has promised to perform a few musical selections at the talks as well. For more information, check out [www.greatlakeslegends.com](http://www.greatlakeslegends.com)

## Jason Garvon will Speak about “The Science of Evolution” at Bayliss Public Library

Dr. Jason Garvon, an Associate Professor in Biology at Lake Superior State University, will be speaking about the science of evolution at Bayliss Public Library on Tuesday, July 7 at 7 p.m.

His focus will be on the general misconceptions of the science jargon. According to Dr. Garvon, “the term evolution is often surrounded by a kind of mysticism and uncertainty. While the field of Evolutionary Biology has moved

by leaps and bounds with the aid of DNS analysis over the past 30 years, communications of the basic scientific principles involved has not always been on the forefront. As a scientist teaching university students about evolution for the past 10 years I routinely field questions rooted in common misconceptions about evolutionary principles.” Dr. Garvon’s presentation will focus on frequently asked ques-

tions by his students and members of the community regarding the science behind evolution. He will discuss terminology, basic genetic principles involved, species of trees, and some applications in everyday life.

Dr. Garvon earned his BS and MS from Northern Michigan University and his PhD from Texas A&M University—Kingsville.

On August 22, at 10 a.m., **Engadine Library** will host “The Sheep Shank Sam” program in the gym. Sam will transport you back in time to a Michigan lumberjack camp in the 1800s. We will learn how lumberjacks felled trees, cut logs, skidded wood out, and floated logs down the river to a sawmill.

The Rudyard Garden Club toured the Kinross Correctional Facility greenhouse and gardens. We were able to submit plant requests to the KCF gardens. It was a wonderful experience.

The KCF gardens donated dozens of plants and shrubs to be planted at **Mollie R. Kahl Community Library**, Rudyard Area Schools, and Rudyard Township.

The library put the call out to gardeners for help planting and were able to get those plants in several prepared beds around the library. Now we are looking forward to seeing them take root and bloom.

The group is looking forward to touring some local gardens together.

## Bernie Arbic Will Speak about the Sault’s French History at Bayliss Public Library

The Chippewa County Historical Society will hold one of its periodic programs at Bayliss Public Library on Tuesday, July 14 at 7 p.m.

Local author and historian Bernie Arbic will speak about “Sault Ste. Marie History: The French Connection.” He feels that the French part of our area history too often takes a back seat to the

“John Johnston” era, and hopes to redress that situation with his talk.

Arbic will present some first-hand descriptions of the area from the *Jesuit Relations* of the seventeenth century, discuss Jean-Baptiste Cadotte (the Sault’s first permanent non-Native

resident), some interesting maps from the time, and—if pressed to do so—may read a poem in French by Pierre (a.k.a. Peter) Barbeau.

This talk will set the stage for the Rendezvous in the Sault that will be in town the following week with an encampment on the grounds of the City Hall.

## Chippewa County Genealogical Society

The Chippewa County Genealogical Society usually meets at Bayliss Public Library in the third Tuesday of the each month. July 21 will be an exception. That meeting will be a field trip to Lake Superior State University’s Kenneth J. Shouldice Library, where Librarian Mary M.

June will speak about “Local History and Genealogy Resources at LSSU.”

On August 18, Rudyard author Beth Overly will present “Mollie and Me (Using the Grieving Process to Write Family History)” at Bayliss Public Library.

Both free programs begin at 7 p.m. and are open to the public.

Staff at **Bayliss Public Library** isn't just involved in providing new books, magazines, newspapers and other materials, and free access to computers. When they are not shelving books, developing programming, or helping with research, they are heavily involved in the community.

Library staff has been spotted at Pink in the Rink, Lakerpalooza, the Sault Area Summer Arts Festival, 2 different children's book festivals, the Council of Youth and Families' Family Day, Big Bear's Totzones, Transition Fair, Family Fun Night, the Farmers' Market, and the Sault Tribe's Environmental Fair. You never know where your friendly neighborhood librarian will pop up next! Perhaps the 4th of July Parade in Sault Ste. Marie? We'll see!

There will be a change in the venue for the Teen Graffiti Art Contest this year. It will take place during Sidewalk Sales on August 7 from noon-4 p.m. at the Augusta Hursley Seal Park at the corner of Peck and Ashmun St. in Sault Ste. Marie, MI.

Teens are invited to grab a can of spray paint (or two!) and get creative with a 4' x 4' sheet of luan.

Masterpieces will be displayed at **Bayliss Public Library** and the winner will receive a gift card to Subway.

## What's It Worth? An Appraisal Event with Mark Moran

In August, two Superior District Libraries will be hosting antique and collectible appraisal events with appraiser Mark F. Moran of Iola, Wisconsin. He has been an appraiser for more than 20 years, a guest expert on PBS's Antiques Roadshow, a contributing editor to *Antique Trader* magazine, and co-author of over 25 books on antiques and collectibles.

Mark Moran will be at **Les Cheneaux Community Library** on Friday, August 14 from noon-4 p.m., and at **Bayliss Public Library** on Saturday, August 15 from 10 a.m.-2 p.m. The appraisal fee is

\$10 per item. You must register and pay in advance at your library of choice. Space is limited. The appraisals will be verbal, not written. You may be part of the audience for his day of appraisals and watch him in action. Mr. Moran will appraise most items, including: fine art, furniture, ceramics, glassware, vintage photographs, advertising, folk art, assorted toys, metalware, clocks, and costume jewelry. Each library has a more detailed list of categories he can appraise.

Bess Arneson, Librarian in Eau Claire, Wisconsin had this to say about

the event at her library: "Our three-hour event was a gratifying success. No matter the monetary value of each item, Mark made each person feel that the piece they brought in was special and interesting in some way. He's also very entertaining: his witty remarks kept us smiling, and his sense of timing kept us in suspense as we waited for him to state the value of each piece."

Mr. Moran is also available to visit homes to assess collections and larger items for a fee.

For more information, check out his website [www.markfmoran.com](http://www.markfmoran.com)

## Claudia Schmidt in Concert at Bayliss Public Library

Claudia Schmidt, Michigan singer/songwriter, returns to Bayliss Public Library by popular demand for a free concert on Thursday, July 9 at 7 p.m. She will perform her eclectic range of folk, jazz, blues, and spoken word poetry.

For more than three decades, Claudia Schmidt has performed in North America and Europe at a variety of venues and festivals. She is at home on the radio, television, and the stage as well, having performed on Garrison Keillor's "A Prairie Home

Companion". She starred in the documentary "I Sing Because I Can't Fly" and was a lead performer in "Gales of November".

Claudia has recorded albums of folk music, blues, and jazz songs accompanied by her 12-string guitar and mountain dulcimer. She weaves elements of music and stage into a program so unified and full of life that one critic described a Claudia Schmidt concert as "...a lot like falling in love. You never know what's going to happen next, chances are it's go-

ing to be wonderful, every moment is burned into your memory, and you know you'll never be the same again."

To find out more about her music, check out [www.claudiaschmidt.com](http://www.claudiaschmidt.com).

Her CDs will be available for purchase and signing that evening.

You can also catch Claudia Schmidt on July 9, at 7 p.m. at Les Cheneaux Community Library's Music on the Porch.

*The month of July is National Ice Cream Month! Designated by President Ronald Reagan in 1984, this month celebrates ice cream as a fun and nutritious food. Join 90% of the population and enjoy some ice cream today!*

## Friends of Bayliss Happenings

The Friends of Bayliss Public Library held their annual meeting on June 3, during which new officers were elected. These officers will serve two-year terms beginning June 2015 and are as follows: President—Nancy Gilotte, Vice-President—Audrey Morley, Treasurer—Jeanne Wellington, Secretary—Lee Carlson. Our sincere thanks to Jeanne Cooper, who served as vice-president for the last six years, and Andrea Masters, who was the group's president for the past four years.

The next fund-raising

event is the Friends annual "Gently-Used Book Sale." The Pre-Sale for Friends members will held on Thursday, August 6 from 5 p.m.-6:30 p.m. in the Bayliss Community Room. The Gently-Used Book Sale will begin on Friday, August 7 from 9 a.m.-5 p.m. and continue on Saturday, August 8 from 9 a.m.-1 p.m. The sale will be held in the Bayliss Community Room and outside in front of the library, weather and road construction permitting! Come and find some good reading for those lazy summer

days or to take with you on vacation!

Don't forget to look for the Friends table at the Summer Farmers' Market each Wednesday afternoon from 4 p.m.-6:30 p.m. We have a variety of books for sale, including cookbooks and gardening books. Any Friends member who would like to help staff the Friends table at the Farmers' Market should call Friends treasurer Jeanne Wellington at 635-1836 to volunteer.

Have a happy and safe summer!

The Curtis Quilters will present their beautiful quilt creations in a show at **Curtis Library** on August 5 from 10 a.m.-3 p.m..

The group quilts each Wednesday in the library—they quilted in the library before it was a library! Every other year they gather their masterpieces for a Quilt Show. The show also features vendors of quilting supplies.

Come and marvel!

*"The reflections and histories of men and women throughout the world are contained in books...America's greatness is not only recorded in books, but it is also dependent on each and every citizen being able to utilize public libraries."*

—Terence Cooke

1921-1983

It's never too early to start planning fall events. T. Dowker is working on creating a LEGO Club that will meet twice a month at **Mollie R. Kahl Community Library** this fall. We are accepting any donations of Legos. Spread the word!

## Dr. James Walker Returns to Bayliss Public Library

"Martin Luther, Rembrandt, and Vermeer: The Beginnings of Protestant Art" is the topic of Dr. James Walker's annual summer art history program of at Bayliss Public Library. It will be held on Tuesday, August 11 at 7 p.m.

Beginning in 1517, Martin Luther began a revolution to reform the Catholic Church. Religious strife divided Christians for decades. The

Protestant Reformation influenced many great artists of the day. This presentation will show how Luther's ideas influenced the art of Dutch artists Rembrandt and Jan Vermeer. (Warning: some of the paintings portray nudity.)

Dr. Walker is a retired Professor of Humanities, who taught for 40 years, 30 of which were at Ferris State University. He is currently teaching as an

adjunct professor at Lake Superior State University. His graduate degrees are from Western Michigan University and Florida State University.

Join us for one of the highlights of the summer!

The **Drummond Island Library** will hold their annual 4th of July Used Book Sale. This year the Arts and Crafts Guild will be hosting their July show on the 4th as well.

The Friends of Drummond Island Library will host the luncheon café for this two-day (4th & 5th) arts and crafts show and the one-day show in August.

July 15 is the date the Friends will host the Summer Baked Goods Bingo Night.

- August 1 at 1 p.m.—Family Movie
- August 22 at 1 p.m.—Saturday Matinee

Free movies; popcorn by donation.

Movies are shown through Movie Licensing USA.

## Summer Film Series at Les Cheneaux Community

The films in the Les Cheneaux Community Library's 8th Annual Summer Film Series reflect a journey to another country full of tales with surprises, discoveries, twists, and turns.

You will enjoy an im-

mersion into cultures as different as the lush beauty of Tuscany and stark black and white of Nazi-occupied Poland. It seems however, that no matter where we look, the universal search for meaning, perspective,

evidence, and resolution persists.

Films will be shown on Wednesday evenings at 7:30 p.m. Call Les Cheneaux Community Library for titles or stop by and pick up a list of the movies.

## Frequently Asked Questions

Cont. from page 1

and not part of the library's mission. Therefore, having an election for a ten-year millage will help provide stable funding and allow us to use your tax dollars responsibly.

**Who does the Tax Capture clause on the ballot affect?** Almost no one in the Superior District Library area will have any

funds captured. Only taxpayers who live or own property in the Tax Capture District located within the Downtown Area of Sault Ste. Marie will have any money go towards the Downtown Development Authority and the Economic Development Corporation. *If you live outside of Sault Ste. Marie, then*

*none of your taxes will be going towards the City.*
