Congratulations Ken Miller on Being Named Librarian of the Year!

We would like to congratulate Ken Miller on being named 2014 Michigan Library Association (MLA) Librarian of the Year.

Ken has served in the library profession for more than 40 years. Having earned his MLS from Wayne State University, he has worked as a librarian in urban and rural libraries in both peninsulas of Michigan. For 30 years Ken was employed by Detroit Public Library and Jackson District Library and for the past 10 years has been em-

ployed by Bayliss Public Library in Sault Ste. Marie, Hiawathaland Library Cooperative, and the newly formed Superior District Library. Throughout his career Ken has demonstrated an understanding of libraries and a vision for their future. His spirit of “Yes we can” has challenged his colleagues above and below the bridge to do what many thought was impossible. Ken is active not only in serving his profession as a leader and mentor, but in his community as well.

For over 30 years, the MLA Librarian of the Year Award has recognized a librarian’s outstanding contributions and accomplishments to the library community over a long period of time. Winners of this award provide innovative library service to his or her community and promote collaboration among libraries. The MLA Librarian of the Year shows evidence of personal and professional achievement as well as initiative and creativity.

Meet Linda Blanchard, Library Manager at Curtis Library

Linda Blanchard has managed the Curtis Branch of the Superior District Library since 1989. She follows in the footsteps of dedicated library managers who

have provided library services to the enthusiastic village of Curtis for nearly fifty years.

Curtis Library has over 20,000 items available for check-out, ten public access computers, WiFi, fax service, and more. The library is open Monday from 9 a.m.-7 p.m., and Tuesday, Thursday, and Friday from 9 a.m.-4:30

p.m.

Curtis is a really busy place! Volunteers and Friends of the Library help manage the daily services, and assist with programs and events.

Linda loves working at the library and serving the Curtis community. She also loves time with her family, friends, dog, outdoors, and of course—reading!

This year's Summer Reading program at **Drummond Island Library** was a success.

With the beginning of school, students will be anxious to return to the library to check out their favorite authors and chapter books. The kindergarten class will be introduced to the "rules" of the library and how to find new friends through books.

Save the dates for two **Bayliss Public Library** programs.

The Lord of the Gourd will be back in the Children's Room by popular demand on October 7, from 4 p.m.-8 p.m. A special afterschool StoryTime will be offered at 4 p.m. (See more information on page 6.)

The second important date to remember is November 8. This is the date of the third annual Superior Children's Book Festival that will be held at LSSU's Cisler Center from 11 a.m.-3 p.m. The Festival is not to be missed as it will offer children's authors, activities, panels for adults interested in children's book publishing, and prizes.

A huge thank you goes out to the Soo Paper Crafters who made a large donation of paper and craft supplies to the Children's Room at **Bayliss Public Library!**

Rudyard Library is tentatively planning a beginner crocheting group for 5th, 6th, and 7th grade students. Watch for details.

Summer Reading Program a Big Success at Bayliss

"Fizz, Boom, Read," the 2014 Summer Reading Program was a big success at Bayliss Public Library with 177 children enrolled (up from 129 enrolled last year). Those children read a total of 3,970 books, more than

1,000 over last summer's totals! Along with seven weeks of stories, crafts, and science experiments, we had special guests such as Clifford the Horse, PaleoJoe and the high school robotics team.

The Summer Reading program culminated in an ice cream social and a prize drawing.

We would like to thank Pizza Hut for once again supplying coupons for our program.

"Fizz, Boom, Read" Successful at Rudyard Library

Where did the summer go? The Summer Reading program "Fizz, Boom, Read" was very successful at Rudyard Library.

The program was broken down into two age groups on different days and did we have fun. The grand finale to the program was PaleoJoe's fos-

sil and dinosaur presentation. PaleoJoe brought in a mammoth's tooth and various other specimens. He also gifted the library with a set of his books.

Thank you to Pizza Hut for providing coupons

to our readers for free individual pizzas as a reward for their diligent reading this summer.

Fall StoryTime Begins at Bayliss Public Library

"Dinosaurs" is the theme for the fall StoryTime at Bayliss Public Library. Children ages 3-5 years are encouraged to join us for stories and crafts on Wednesdays at 10 a.m. or Thursdays at 1 p.m., beginning Septem-

ber 10. Parents and caregivers may stay with their child and younger siblings are welcome.

StoryTime will run weekly until Thanksgiv-

ing. StoryTime is offered free of charge but parents are encouraged to enroll their children. Call Debbie Lehman at 632-9331 or email her at debiel@baylisslibrary.org for more information or to enroll your child.

Bayliss Public Library once again had a presence at the Sault Summer Arts Festival on August 5. Ten young people were given the chance to create graffiti art on 4' x 4' sheets of luan with spray paint.

The contest was judged by Emily Gadzinski and the prize was awarded to Jack Miller. All the graffiti art is on display at

Bayliss Public Library. Stop in and take a look.

Young Adult Writers Workshop at Pickford Community Library

Pickford Community Library's Young Writers Workshop is gearing up for another fabulous year with co-founders Janet Beasley (author and CEO of JLB Creatives Publishing) and Dar Bagby (illustrator and Senior Editor of JLBCP). Starting on October 9, 2014, new students will begin their journey to become published authors of short stories, poetry, essays, and/or flash fiction, and returnees can choose to expand their writing abilities by composing longer works (novels or novellas) in most genres.

The workshop meets

every other Thursday evening from 7-8 p.m. at Pickford Community Library and ends its year in mid-May with a "Book-Release Soiree." Each student's story/book will be published free of charge through Smash-Words and made available to the public at the end of the workshop. The works will also be available for library check-out through Great Lakes Digital Library on Over-Drive.

The Young Writers Workshop was founded at the Pickford Community Library in October 2012 and is coordinated by Li-

brary Manager, Ann Marie Smith. Students from all over the Eastern U. P. who are in grade 6 through college and are interested in learning the "ins and outs" of becoming a published author, are welcome to attend the free workshop sessions. If you would like to enroll, please contact Ann Marie at the library before October 9 at 906-647-1288 or amsmith@uproc.lib.mi.us. Better yet, if you're in the area, stop by the library—we'd love to talk to you about this opportunity and all the other programs at our library.

Author Beverly McBride to Visit Bayliss Public Library

Local author Beverly Waters McBride will speak at Bayliss Public Library about *Without a Paddle*, the third novel in her Native American Adventure Series, on Thursday, September 18, at 7 p.m. The series, *One Foot in Two Canoes*, is set in the Sault. McBride has previously released the novels *One Foot in Two Canoes* and *Up the*

Creek.

"This new book centers on identity formation, as a young Native American looks for his niche in life, and seeks to grow into his own," says McBride. "This book centers on Paulie a young Native American man with a wife and new baby as he attempts to find and keep work to support his family in a strained econ-

omy and small town opportunities."

McBride's books will be available for purchase and signing. She plans to tour other EUP libraries this fall. She is a member of the Creative Endeavors group and the organizer of their upcoming EUP Book Fest.

Library Closures:

Superior District Library member libraries will be closed on Friday, October 24, for EUP Regional Staff training that will be held at Bayliss Public Library. The staff will be learning about new software and services to better serve our patrons.

Thank you, Geri Taeckens, for your donation of DVDs to **Bayliss Public Library**. Many have been added to our collections. Others will be on sale at the Friends of Bayliss October Book Sale.

People to People International will meet at **Bayliss Public Library** on Tuesday, September 2, at 6:30 p.m.

The speaker at this program will be Teruyuki Ueyama, visiting official from Shiga Prefectural Government in Japan. He is at Michigan State University as part of MI-Shiga Sister City Program. This event is open to the public.

Once fall gets here it seems that our thoughts go to the holidays and meal planning for special family get togethers. For the elementary school crowd **Rudyard Library** is planning an evening doing simple cupcake decorating that will be sure to excite any future bakers and party planners. The date and time will be announced soon. Should we get enough interest in an adult decorating event, we will make an announcement on the Rudyard Superior District Library Facebook page.

Soo Paper Crafters Lead Class at Bayliss Public Library

The next session of the Soo Paper Crafters will be held on Tuesday, September 9, from 6-8 p.m., at Bayliss Public Library.

brary. Beginners are welcome but sessions are limited to adults; no small children please.

See special thank you on page 2.

Bayliss Public Library plans to make its Community Room available for members of the public to meet and discuss the books they have been reading. There have been requests for such an opportunity to chat with others and enjoy a cup of coffee.

If you are interested in joining an informal group, join us on Wednesdays, September 24 and October 29, at 2 p.m.

The **Brown Bag Book Club**, a book club for children ages 8-12 and their interested adults, is gearing up for their fall discussions. The book club meets one Saturday a month, at noon, in the Children's Room at **Bayliss Public Library**. Bring a sandwich and the library will provide the fruit/veggies snack and a drink!

A Difference of Rights

The 1980 documentary on fishing rights that was filmed in the Sault and Bay Mills will be shown at Bayliss Public Library on Saturday, September 6, at 1 p.m.

The film, co-hosted by the library, was shown at the recent Soo Film Festival. Filmmaker Bill

Blanchard, who is a Sault Tribe member, spoke about the experience filming with his Lansing Community College students.

His extensive collection of over 40 audiotape interviews, portions of which were used in the film, were donated to

Bayliss Public Library. They are currently being transferred to other formats for use by researchers. We thank Bill Blanchard for his generosity to the library and for allowing us to screen his film.

Sierra Club Three Lakes Group Holds Events at Bayliss Public Library

The local Sierra Club chapter will show the documentary *Tar Sands: Canada for Sale* at Bayliss Public Library on Thursday, September 11, at 6:30 p.m.

The hour-long film is a cautionary tale for all nations that exploit their natural resources for the global marketplace. With

these same tar sands flowing through our Eastern U.P. pipelines and under the Straits of Mackinac, this film on the Alberta mega-enterprise is informative and relevant.

The Sierra Club Three Lakes Group is planning a Candidates Meet and Greet for Thursday, Oc-

tober 16, at 6:30 p.m. All candidates from both parties at the state and local levels are being invited. They will be given a number of question regarding the environment to address. There will also be time for attendees to meet and speak with the candidates.

Superior Poetry Café at Bayliss Public Library will Feature Mary McMyne

Bayliss Public Library's next Superior Poetry Café will be held on Thursday, October 9, at 7 p.m. The featured poet will be Mary McMyne, Assistant Professor of English at Lake Superior

State University. She is also the fiction editor of LSSU's literary journal *Border Crossing*. Her new book, *Wolf Skin*, will be available for purchase and signing. It features retellings of

classic fairy tales.

There will be an open mic after her reading, where the public may tell stories, play music, or read their own work.

DIY Pickford Workshops to be Held at Pickford Community Library

The Pickford Community Library is continuing its successful new program series, "DIY Pickford." Launched in February 2014, this program is geared to provide the community with free hands-on education in areas of diverse interest. DIY Pickford is a great way for residents to share their hidden talents with the Pickford Community Library and the greater EUP community. Workshop attendees and educators are not limited to the town of Pickford. We are looking for anyone with skills to share from across the EUP.

Local professionals are encouraged to participate and introduce the community to their profession while providing an in-

formative DIY workshop. Both in-house workshops and field trips are encouraged. The sky's not even the limit in terms of topics: we're open to all of your Do-It-Yourself suggestions. If you have a workshop or class you would like to conduct, please contact Ann Marie Smith at 906-641-1288 or email her at amsmith@uproc.lib.mi.us; Nome Buckman at 906-717-9105 or email her at nome77@gmail.com; or you can contact Michelle Jarvie at 906-717-9105 or mmjarvie@mtu.edu.

day, September 11— "Bracelets with Beads" with Stringing Things Patti, a local artisan; and on Thursday, September 25— "The College Application Process Dissected" with Joanne Galloway. Our October programs will be "What Are You Doing on the Internet" with Angela Nettleton and the Pickford High School Robo-Panthers" and "DIY Library Skills: Interlibrary Loans and More" with Ann Marie Smith (Thursday dates to be announced). All programs begin at 6:30 p.m.

Debbie Lehman will have a Special Pumpkin StoryTime for the first hour of the event (4-5 p.m.).

Stop by the library to see what amazing pumpkin sculptures he creates this year!

www.MichiganTrailMaps.com, a resource website devoted to trail users and the promotion to trails in his home state. His books will be available for purchase and signing at the talks.

Pickford Poetry Hour with Poetry Activist Renee Dreiling

As you may know, for the past two years the Pickford Poetry Hour has been led by storyteller Mary Couling with assistance from her husband Jim. Alas, they are planning to leave the area, and we wish them great joy and happiness in their adventures. We will miss them and are very grateful for all of their contributions to the artistic world of the Eastern Upper Peninsula.

This year, poetry activist Renee Dreiling has

agreed to lead the Pickford Poetry Hour. Renee chooses to call herself a "poetry activist" because she "seeks to cultivate a larger audience for poetry and promote a universal appreciation for it." She is planning poetry hours this fall with thought-provoking themes for discussion. On Tuesday, September 9, at 6:30 p.m., she will lead a roundtable discussion on "The Power of Women:" an hour of celebrating the power of women's voice.

es.

Topics for the discussions on both Tuesday, October 7 and Tuesday, November 4 are under consideration. Your input is most welcome!

The Pickford Poetry Hour is free and open to the public—and wonderful refreshments are provided by the Friends of Pickford Community Library. For more information, contact Ann Marie Smith at 906-647-1288 or email her at amsmith@uproc.lib.mi.us.

Drummond Island Library a Hub of Activity

The Drummond Island Library is a hub of activity as the summer residents come and go on and off the island from June through October. Tourists are everywhere on the island and one of their favorite places to congregate is at the library—to check out books, rent videos, peruse the newspaper and magazines, uti-

lize the library computers or the WiFi, and purchase books from our sale area.

Though small in square footage, the library provides a large volume of materials and equipment for our patrons. On a typical day we will have many patrons searching the shelves for reading material, using our seven computers. More patrons

can be found reading or using their own electronic devices at our table or one of our comfortable reading chairs, in the Children's section, or choosing something from the sale area.

Come visit, enjoy the island this fall and stop by the library. We would love to show you our facility.

The new Sault Ste. Marie City Manager, Oliver Turner, will be at **Bayliss Public Library** on Thursdays, September 25 and October 23, starting at 7 p.m., to hold office hours. Stop by the Community Room for these chances to meet him and discuss issues.

News from Friends of Bayliss Public Library

August 1 was a gorgeous summer day, a perfect day for the Friends of Bayliss Summer Used Book Sale. Due to the road construction on Library Drive, we moved our sale to Ashmun Street, as part of Downtown Days & Sidewalk Sales. We set up our canopies and tables at the corner of Ashmun & Dawson streets and filled the tables with a good selection of reading materials. The crowds of shoppers came early and enjoyed the beautiful weather, while browsing for something good to read. We ended up selling more than half of the books we brought and netted over \$300 for the day. Thanks to all who helped sort, haul, set-up, and sell! We appreciate your hard work!

Our next Book Sale is scheduled for Saturday, October 4—it's "Fall into a Good Book!" We'll be back at Bayliss Library's

Community Room for this one. And we'll have our Friends-First Early Bird Sale on Friday, October 3, from 5-6:30 p.m. If your annual Friends of Bayliss dues are paid, you'll get a postcard invitation to the Early Bird Sale and get the very best selection. Dues are only \$10 a year and can be paid at the Bayliss Library circulation desk. The sale on Saturday, October 4 will be open from 9 a.m.-2 p.m., and we'll have a room full of all your favorite categories. Come early!

In between book sales, we also have our Annual Friends of Bayliss Silent Auction. This year's Silent Auction will be held from Tuesday, October 21 through Saturday, November 1. There's always a great variety of items to bid on and many would make lovely gifts. Be sure to check out the eye-catching arrangement in the Bayliss Lobby display

case. If you have something you'd like to offer for our auction, please bring it to Bayliss Library before October 17, so we'll have time to include it. Once again, Cathy Mason will be the Silent Auction Chairperson, and she'll have something for every taste.

Our popular Holiday Used Book Sale will on Saturday, November 22, this year—a bit earlier than other years, so you can get a jump on your Christmas shopping, because books make wonderful gifts! The sale will open at 9 a.m. and close at 2 p.m.

Watch for details on these Friends events in our Autumn Newsletter. And thanks for continuing to support our Friends group and Bayliss Library, a branch of Superior District Library.

The 4th of July Annual Book Sale at **Drummond Island Library** was profitable and also brought in many donations of books for our shelves. We have had to add many new shelving units to accommodate all our purchased and donated reading materials.

This past winter we had a wonderful donation of pristine books on Michigan history, flora & fauna, reference books of nature, traveling, gardening, ornithology, and art & art history. Another patron donated an extensive collection of military books. All of these volumes will be place on our new shelving this fall.

The Friends of **Drummond Island Library** have been busy raising funds by hosting the lunch café for two craft shows and a night of "Baked Goods Bingo" as well as monies obtained through the membership drive. Many donations come from our summer patrons and visitors as well as our year-round residents.

Gardening Thrives at Rudyard Library

For gardening lovers we have a "Pruning and Wintering Plants and Shrubs" workshop scheduled for Tuesday, September 30, 5:30, at the Sonshine Nursery in Moran, Michigan, courtesy of the owner. There will be demonstrations and if time allows he will show us some of the landscaping he has done at some of the local homes on Brevoort Lake.

Please call the Rudyard Library to sign up and

share rides.

The Rudyard Gardening Club had a special invitation to tour the Kinross Correctional Facility gardens.

Craig Oberle who oversees this program very graciously provided our library with plants and shrubs that were started at their facility last spring.

We are very grateful to all the volunteers for getting some of our flower beds spruced up. The re-

sponse from our community to help begin the transformation was great and we soon discovered that this is a project that will need to be done in phases.

The Chippewa County Genealogical Society meets monthly at **Bayliss Public Library**. On Tuesday, September 16, the theme will be Researching Libraries and Archives: Local Library Resources.

Researching Local Histories will be the topic on Tuesday, October 21. Both programs will begin at 7 p.m. (See page 4 for a related article.)

As our third season starts, we would like to express our thanks to Iris Jarvi and all of the staff at Main Street Café for supporting this project and being a booster for the Pickford Community

Library. Last season, Iris offered a special dinner deal for children on Family Movie Nights—just to encourage families to have a fun night out. You didn't have to come to the movies to get the deal—it's another one of Iris' acts of community spirit. We are so lucky to have her in Pickford!

In addition, we would also like to acknowledge the incredible support of the Sault Tribe for Pickford Community Library since its inception. Their generous 2% grant funds provided us with the means to obtain our state of the art projector. We are so grateful to them.

For more information on the program and on

upcoming attractions, call the Pickford Community Library at 906-647-1288 or email us at amsmith@uproc.lib.mi.us. We hope you can join us for a season of family fun and community fellowship.
