

SUPERIORLAND LIBRARY COOPERATIVE

2018-2019 Board of Directors

Board Representation by library

PA 89, 1977 requires each cooperative to have nine voting members. Each library has one representative and voting representation rotates among those appointed representatives.

Superiorland Library Cooperative encourages every member library to appoint a board member who will attend meetings and bring back information about co-op activities to act as a liaison for local trustees and staff.

Appointments must be made by 25 September each year or the vote will pass to the next library within each class.

Class I Crystal Falls District Community Library (Board Representative Resigned Effective 11/26/2018)
