The L'Anse Area Schools/Public Library is part of the L'Anse Area Schools. Therefore, if the L'Anse Area Schools is **closed** for inclement weather and or sickness, the L'Anse Area Schools/Public Library will also be **closed!** This is in the school policy.

If you have an item that is due on an unexpected closure (such as a snow day) you will not be charged for it being late **if** you return it the next open day. There is a box located by the parking lot to deposit books (audio books and DVD's should not be returned in that box- coldness or other items dropping on top will create damage which you will be charged for).
