Did you enjoy this year's UPRLC Annual Meeting?

Your institution is invited to join the UPRLC, Inc.

As a member of our 501c3 non-profit, you will receive information about continuing education programs, book discounts, and grant opportunities. You will have the opportunity to network and problem-solve with library colleagues from school, public, academic, tribal, health science, correction facilities, and historical libraries.

Your book discounts and reduced fees for workshop registration should easily recover your annual dues for membership in UPRLC. Annual dues are \$35 per institutional member.

To join UPRLC, your governing board must pass a [membership resolution](#). Send your resolution to the UPRLC Business Office at the address above and we will send you a membership packet with information on book discounts and coupons for workshop registrations.

More information about UPRLC is available at the following web sites:
